NOTES:

1. Reduced Rate Fees and Bursaries

Please don't stay away from conference because you have difficulties meeting the full registration fee. The reduced rate for standard accommodation (supported from the Bursary Fund) is available to anyone on a low income and if you qualify please use this facility.

There is also a discretionary bursary scheme. If you want to apply for a higher level of support than is available through the reduced rate, or if there are any other special circumstances, please apply as soon as possible (preferably before the end of May), ticking the box overleaf. Give the reason (which will be treated in strictest confidence) in the space below, insert the amount you are prepared to pay at "Total sum enclosed" on the form, and enclose your cheque for that amount. You will be told in June if your bursary has been confirmed, and your cheque will not be cashed before then. If you are not awarded a bursary, your cheque will be returned to you at that time.

2. Donations

Donations to SoF are applied in the first instance to its educational and development work including the provision of bursaries to assist people on low income with the cost of attending the annual conference.

3. Students

If you are applying for a student place, please tell us in the space below what you are studying and where.

4. Cancellation Charges

Bookings cancelled by 3rd July 2010 will be refunded in full subject to a £2 administration fee. 60% of the booking fee will be refunded on places cancelled after that date and before 17th July, and 20% on cancellations thereafter.
