

SoFiC Day Conference
CHURCH – GOING FORWARD
London, 10 October 2015

Sea of Faith in the Churches provides a meeting place for those SoF members – and others – who find themselves in the midst of or, more commonly, hovering on the edge of the Christian Church.

This conference will focus on areas of the church's work which are undergoing change. We shall ask how these changes appear from a non-realist Sea of Faith perspective.

Areas to be investigated will include

- ~ the impact of **women's leadership** on the Church of England, and
- ~ the church's involvement in our **hospitals** and in **end of life care**

and our speakers are well qualified to inform us and guide our thinking about these concerns.

Please use the form below to apply to attend and to receive full conference details. The venue (Essex Unitarian Church, Palace Gardens Terrace, W8 4RT) is very close to Notting Hill tube station, but has no adjacent parking. (There is an NCP car park a short distance away.) Its entrance and toilet are wheelchair accessible, and there is a loop system. The conference fee is £10 per person. Hot drinks will be available, but participants are asked to bring (or buy out) their own lunch.
