

*Resurrection* by Olivia Silva, who was a member of Ernesto Cardenal's community on the Solentiname Islands on Lake Nicaragua. The risen Christ, wearing T-shirt and jeans, looks like Sandinista leader Carlos Fonseca – complete with glasses. The three crosses bear the names of Solentiname members Felipe, Donald and Elvis. These three, as well as Carlos, died in the Revolution which eventually toppled the dictator Somoza in 1979.
